Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 22, 1995

SUBJECT: **HB 450 - SB 814**

This bill, if enacted, will extend the termination date of The West Fork Drakes Creek Dam and Reservoir Interstate Authority until June 30, 1997. Under the "Tennessee Governmental Entity Review Law", the Interstate Authority is scheduled to terminate on June 30, 1995. The bill also adds a commissioner or designee chosen by the board of commissioners of the Sumner County Water Authority to the board of directors.

The fiscal impact from continuation of the West Fork Drakes Creek Dam and Reservoir Interstate Authority, if the bill is enacted, is estimated to be minimal.
